ANDERSON BUS CASE DECIDED—SHERWOOD WON

Each Side Must Stand Half Of The Costs Of The Suit

BOTH PARTIES AT FAULT

Evidence Indicates A Lack Of Regard For The Road Laws

The case of A. O. Peterson vs. Joseph A. Sherwood, generally known as the Anderson Valley school bus case, was decided by Judge H. L. Preston last week.

Story Of The Litigation.

Mr. Peterson sued Mr. Sherwood to recover $650 damages caused a Reo school bus. At the time of the accident the school bus was traveling along the road to Boonville carrying 22 children to school. Ernest Pardini was driving the bus for Mr. Peterson. Mr. Sherwood was driving a new new Dort car. In the machine with him at the time were three ladies. The evidence showed, but it is not clear who started the race, the school bus and the Dort were soon racing along at a 30-mile speed. The testimony is contradictory and each side contended the fault lay with the other. From the stories the children in the bus at the time told in court it appeared they were all "jollying" Mr. Sherwood—crying "Why don't you you pass?" "Your wheels are turning," etc., and that this probably induced Mr. Sherwood to make an effort to pass the bus, get into loose gravel, and eventually cause the wreck. Mr. Sherwood's version was that he tried several times to pass the bus, but some other car always showed up to prevent him making it. Finally, immediately before the accident, a wide roadbed was approached. Mr. Sherwood gave the bus driver the horn and started to go by, as the bus turned out. Just as he was getting by, the driver of the bus started to drive fast and quickly thereafter the crash came.

Both Taxed Costs.

Judge Preston in his decision says: "I am of the opinion plaintiff cannot recover; neither can defendant on his cross-complaint, and each party should pay his own costs, and the costs of transcribing a portion of the evidence should be borne equally between plaintiff and defendant."

Originally Mr. Peterson brought a suit against Mr. Sherwood and the latter countered with a suit against Mr. Peterson. Mr. Peterson's loss was caused by the driving of Ernest Pardini and he lost $650 in the damage to his truck, for which he was paying on monthly installments. Mr. Sherwood's loss ran to about $150 and Judge Preston, although actually giving the case to Mr. Sherwood, probably took into consideration the situation of both men and distributed the cost as justly as possible.

DIVORCES BEING SOUGHT

Three suits for divorce have been filed in superior court within the last few days. Various grounds for separation are made in the cases: Loren R. Campbell vs. Margaret L. Campbell; Bessie Zecovich vs. Maxmillian Zecovich; Letha Emerald vs. Clarence A. Emerald.

COURT STATES SPOTTERS ARE WORTHLESS LOT

Stinging Denunciation Uttered In Gianoli Liquor Trial

HAS NO FAITH IN THEM

County's Resentment Is Echoed As Methods Are Exposed

At the trial of the case of the State against Bert Gianoli evidence was produced which showed two spotters, L. G. Raymond, a stout man who usually dressed in a blue suit of clothes, with a more or less pugnacious look, and who generally drove a Buick roadster, while acting for the sheriff's office, got evidence against many alleged offenders some time back, and T. E. Cornwell, a man who while posing as a sewing machine agent was, in reality, a bootlegger, had gone to Mr. Gianoli's home some time ago and gotten some wine.

Has Turned Reformer.

Since giving up the bootlegging end of the business, Mr. Cornwell has figured as the unearther of several alleged offenders who were later on prosecuted.

Was There Before.

It appeared the man Cornwell had been at the Gianoli place with an Italian and, following the Italian custom of hospitality, Mr. Gianoli had given both the Italian and the American, Cornwell, a glass of wine. On the occasion of the visit of Raymond and Cornwell, the latter called attention to the fact he had been there with a friend of Mr. Gianoli's and had been given a glass of wine. Cornwell and Raymond, during the visit, begged Mr. Gianoli to sell them some wine. They pretended they had been on a spree and that they were suffering from the after-results of their debauch. They wanted the wine, they said, to sober up on and get straightened out. Mr. Gianoli refused to sell the men wine, but gave them some wine. As the pair left one of them threw some money on a table and hurried away. An indictment of Mr. Gianoli followed.

Position of Judge Preston.

After Mr. Gianoli had pleaded guilty Judge Preston assessed the lowest fine the law allows and said:

"I haven't much faith in these people who go around begging a fellow to violate the law and then arrest them."

The sentiment expressed by Judge Preston is one reflected from all parts of the county.

A WILLITS CAST FILMED

A number of Ukiah folk motored to Willits Thursday evening to be present at a moving picture show filmed in Willits about two weeks ago. The entire cast of the film play was taken by Willits talent, which made the play of double interest. Mr. and Mrs. C. H. Duncan of this city were among those present at the film show. Both Mr. and Mrs. Ralph Duncan, of Willits, were starred in the east.

CONNOLLY LIKELY LOSES BOTH THE NOMINATIONS—ROSS AND THORNTON WERE DEFEATED

With enough returns in from the various precincts, scattered throughout the county, it is evident C. B. Melville has heavily defeated Pat Connolly for the republican nomination for assemblyman. In the precincts reporting late last night Melville had a majority of 365 on the republican ticket and 61 on the democratic ticket. This includes five precincts in Ukiah and five in Fort Bragg.

All precincts in the supervisorial district, show Mr. Ford beat Mr. Thornton 133. A remarkable tribute of the estimation in which the neighbors of Mr. Thornton hold him was shown when he received 146 to 42. This precinct last year was carried by Mr. Ford.

In Ukiah Mr. Ford ran very well, carrying his own precinct over Mr. Thornton by 82.

On the face of the returns of last night it is evident Mr. Melville has decisively defeated Mr. Connolly for the republican nomination and may nose out the demoncratic nomination. Mr. Connolly lost his own precinct for both nominations.

In the contest on the coast for supervisor it seems C. R. Perkins beat Supervisor Ross, a veteran of 12 years service as supervisor, by somewhere in the neighborhood of 100. At a late hour last night Mr. Perkins, with three small precincts to hear from, was leading Mr. Ross by 98. It was not thought possible the vote of the unheard from precincts will make any decided change in the lead of Mr. Perkins.

In the contest for Third Appellate Court judgeship Plummer was running almost three to one over Jones. In scattering precincts the vote stood Plummer 335, Jones 121.

At eight o'clock this morning the figures remained unchanged and the same ratio of voting in the Melville and Connolly contest made it seem Mr. Melville would get both nominations.

NEW OPTICAL PARLOR HAS ALL APPLIANCES

P. H. Joseph Expends Large Sum In Late Equipment

No, it is not a new optician. P. H. Joseph, our old and successful optometrist of many years' experience, is giving the public the benefit of "the last word" in scientific and complete equipment.

Is Well Outfitted.

Mr. Joseph has equipped a room with all the latest instruments and devices that go to make examination and fitting of the eye a perfect success.

One of the important instruments installed is a refractor, that has every conceivable test known to science. This instrument is suspended to a standard by a finely adjustable arm, which eliminates the old, objectionable, heavy frames worn on the face, which has always been very uncomfortable to the patient being fitted. The rapidity of lens changing in testing, permits of absolute accuracy in the final test, without confusing and exhausting the patient.

Detects The Defects.

The very latest model ophthalmometer has also been installed. This instrument, Mr. Joseph says, plays a very necessary and important part in determining eye defects.

Absolutely Sanitary

The sanitation of all appliances coming in contact with the patient's face cannot be over-estimated. And to take care of this a sterilizer is also a part of the new equipment.

Mr. Joseph has not overlooked the importance of well-fitting frames. A beautiful and convenient fitting table and chairs are a part of this little parlor. Right here, he wishes to say—that the glass-wearing public are always welcome to have their glasses straightened and made comfortable. This is always done without charge.

Our larger cities cannot boast of any better equipped optical parlor than this, and The Republican Press wishes to congratulate Mr. Joseph for his progressiveness and service to the community. ***

THIEVES WORK IN DAYLIGHT? YES—GET AWAY

Maguire Auto Towed To Roadside And Stripped

THOMAS CAR NOT FOUND

Dr. D. R. Smith Loses A Tire From Car On State Street

Thieves with a weakness for automobile accessories, despoiled two Nash cars belonging to Ukiah residents Sunday. One offense occurred early in the evening when the machine belonging to Dr. D. R. Smith, medical superintendent of the Mendocino state hospital, was stripped of a tire. The car was parked on the north side of The Palace hotel and the thieves worked boldly in the sight of passers-by. The second offense, and the greatest, occurred some time early Sunday morning when the touring car of T. W. Maguire was taken from a lot at the rear of his residence and towed to a point on the Low Gap road where it was completely stripped. The car was double locked, which made it necessary for the thief or thieves to shove it out of the lot and tow it away.

It Was Reported.

The car was observed Sunday afternoon by C. A. Bernhard, who was returning from a hunting trip to his mountain ranch on Pine ridge. He recognized the car and his first thought was Mr. Maguire was having car trouble and alighted from his own machine to offer aid. He was unable to locate anyone about the car and came to town. In the meantime Mr. Maguire had missed his car, but thinking his son had taken it gave no heed to its disappearance until Mr. Bernhard notified him of its whereabouts. An investigation revealed the thieves were frightened away for the time being by Mr. Bernhard's appearance and completed their work of stripping the car after his departure. The loss is covered by insurance, but car owners are warned to keep their property under lock and key as it is suspected by officers the culprits are located in Ukiah, at least for a temporary period.

BANKRUPT STOCK WAS BOUGHT—BIG SALE UP

Workingman's Store To Surprise The Ukiah Buying Public

R. Weil, of the Workingham's Store, returned home Monday from San Francisco where he was successful in securing an $8,000 bankrupt stock of men's furnishings.

Many Bargains In It.

This stock is being packed for shipment to Ukiah and, Mr. Weil plans on starting a sale September third. Those who can possibly delay buying until the merchandise arrives should do so, Mr. Weil advises, as they will find they will, at this sale, be able to get the goods they want at prices practically the same as the average storekeeper pays the jobber.

WILL OF LATE J. Q. WHITE IS UP FOR ACTION

Widow And Children Get One-Third Each Papers Imply

A petition asking for permission to probate the will of the late Judge J. Q. White develops the fact Judge White died possessed of one of the largest estates, of a practically cash value, noticed in this county for a long time.

What Deceased Left.

The petition sets forth the estate is divided between the widow, and two minor children. Judge White had in the bank at the time of his death the sum of $5,765.08 and was the possessor of bonds, notes and mortgages of the aggregate value of $185,000.

The petition to have the will probated was filed by Harriet Ortley White, widow of Judge White.

EFFICIENCY SIGN NOW SEEN AT PAYNE'S SHOP

Emblem Of Guarantee Possessed By The Shoe Hospital

"Jack" Payne has received his authority to do business under the United Shoe Repairing Machine Company sign. By the arrangement Mr. Payne can continue to use the sign up to such time as he fails to properly handle shoe repairing work. The method of having inspectors drop in, unannounced, and make an examination of work being done, is one which serves to keep all shoe repairers on their guard to do their best work on every occasion, fearful, if they are inclined to slight work, their doing so might result in the loss of the sign and the right to use the United Shoe Repairing machinery. While it is, of course, unnecessary for Mr. Payne to have had the sign, he always doing first-class work, still the sign of efficiency will, undoubtedly, draw many patrons who do not know him to Mr. Payne's place of business.

NEIGHBORHOOD NEWS

The hotels of Ukiah are facing more than capacity business these days.

Agitation for the paving of the Talmage-Ukiah highway increases and the state will be asked to do the work.

Many Ukiah valley farmers will hold their hops for better prices.

There has been no modification of the ban against hunting on state forest reserves.

Gene Van Houtte, who pitched for Fort Bragg last year, has been signed by the St. Louis Cardinals.

The Noyo Athletic club is putting on some fast boxing matches these days.

The body of Tom Chaw, a Chinese well known on the coast who died some time ago, has been shipped to China.

Judge H. L. Preston has stated from the bench he is not in sympathy with the "snaring" of dry law offenders by officers.

The orphan children of H. M. Richardson are to get $3000 from the state accident commission.

Following a "learn to swim" campaign an unusual number are being taught swimming at Fort Bragg.

Hop picking will end this week.

Angelo Bianucci, injured in an auto accident, while out of his head jumped 25 feet through a window at the Redwood Hospital, Fort Bragg.

Andy Stump registered at a San Francisco hotel and his writing led many to believe he was Andy Gump. Mr. Stump lives on the coast.

Kohler & Chase have opened a branch music house in Ukiah.

The Wallace-Poulos wrestling match at Willits will be the athletic event of the season.

Mrs. Merle Steinman, of Pasadena, president of the Rebekah association of the state, has been visiting the county.

The fine Masonic Temple at Ukiah will be under roof by early fall.

Albert C. Schmidt, a corporal of police in San Francisco, was killed in an auto accident beyond Willits Monday.

The schools of the county promise large attendance at their coming openings.

Chief of Police Dan O'Brien, of San Francisco, who looks much like Dr. "Tony" McMahon, was in Ukiah last week.

Otto Grothe, who was badly injured in an auto accident at Willits, has been taken to a San Francisco specialist for treatment.

MANY ROOMS WILL BE NEEDED FOR TEACHERS

Chamber Of Commerce Urging Everyone To Help Out

Some seven hundred teachers will be in Ukiah September 21, 22, 23 and 24. Provisions must be made for their entertainment during this time and Ukiah has another opportunity to make herself the most popular convention city and resort center north of the bay.

All Rooms Are Needed.

The Chamber of Commerce is called upon to make provision for this convention and it will be necessary to list accommodation for about 400 people. "The accomodations will be paid for, but we need to have a list of them at once. Please let us have a room at your house, and phone 77-W at once," says Secretary Kirkpatrick.

Three Switches Made In Home Owners Here

Burt Thornton sold his home at 1136 West Perkins street to Mrs. Erin L. Bailey, who formerly owned it, and then purchased the home of W. H. Prather at 518 North Bush street into which he will move. Mr. Prather has, it is understood, bought one of the H. L. Bergstrom houses and, so the story goes, Mr. Bergstrom will shortly commence the building of one more modern bungalow.

LEFT COMFORTABLE ESTATE

The winding up of the estate of the late Walter G. Hargrave, of Covelo, is taking place this week and a report on file in probate court shows the administrator has for disbursement $15,214.88.

Never 'Something for Nothing' Nearer Perfect Bigger Returns A Surprise for Elijah. No Population Scare.

Charles Fox offers to the United States Government an engine that "consumes no gas or other fuel and runs forever."

The inventor says, "You just start her up and let her flicker," and he thinks it will bring millions. It won't bring a cent. A Power wiser than Charles Fox, wiser even than Calvin Coolidge, won't allow us to get "something for nothing." That would be bad for us. Therefore there is no perpetual motion, nothing worth having, for which we don't give effort and value in return.

It pays to develop a perfect thing, from cows to radio. Mrs. H. McK. Twombly, of New Jersey, owns a Guernsey named Langwater Fairy, No. 97979. She looks like any other cow, but gives three times as much milk, four and a half times as much butter fat as the average cow. Her amazing record just announced is 13,605 pounds of butter fat in one year. In that kind of prosperity there is no speculation, no manipulating, just plain, simple production of wealth through intelligent attention to breeding.

Daily the radio offers something new. This time it is "broadcasting church music for rural weddings." The bride, trembling, will give the last poke at her hair, the last tug at her veil. The sexton will "tune in," and up she will march, in Farmingdale, N. J., to the tune of "Faithful and True," played in Chicago, Ill.

Florida says, "Come." The rich will answer, "I'm hurrying." Have you an income? Florida offers you attractions over and above the fine climate. Florida intends to put into her constitution a provision that will exempt incomes and inheritances from all taxation. This is intended as "a courtesy to prosperous people from the North." They will appreciate it. No death tax on inheritance, no State tax on income! Oh, joy! Oh, rapture! Florida says, "Come to Florida. Here your income is all yours to spend. We chop off nothing and your heirs get all you leave them when you die. We won't tax dead men."

A long time ago Elisha "took hold of his own clothes and rent them in two pieces," when he saw Elijah go up in "a chariot of fire and horses of fire."

What are Elisha and Elijah, now in heaven, saying to each other as they see the Right Reverend Harold Roberts Carson, Bishop of the Episcopal Diocese of Haiti, calmly riding from one parish to another in a flying machine? The navy lends him the flying machine and he visits places otherwise inaccessible.

All that men can IMAGINE they can DO.

Dr. Pearl, professor of biometry and vital statistics at Johns Hopkins, says our population will be 197,000,000 in the year 2100. That will be our maximum and then will come a decline.

With all due respect to the learned professor, any child could make as good a guess.

Dr. William Allen Pusey recently told the American Medical Association that population would reach 175,000,000. And "with that density of population, the pressure of existence will become so strong that the death rate, particularly infant mortality, will overtake the birth rate."

That is another poor guess. Under intensive cultivation, as it is now understood, the State of Texas alone could feed the earth's entire population, and that is at least sixteen hundred millions.

There will be a thousand million human beings in THIS country, infinitely happier, richer, better off in every way, than any population that ever has lived.

In 124 years, since 1800, our population has risen from 5,000,000 to 112,000,000. What is the use of guessing what will happen in the next 120 years? It would have been impossible to guess how many people this country could feed before harvesting machinery was invented. Impossible before the arrival of the tractor.

Lack of food won't limit population. Men's brains will always provide for their stomachs. But a higher race will gradually produce fewer children.

Disease breeding cities will be broken up by the flying machine, taking us to live on mountain tops, where there is fresh air. These mountains are not to be forever uninhabited.

California Wool Growers Association Very Grateful To The Republican Press

The following letter has been received by The Republican Press from the directors of one of the state's greatest industries:

San Francisco, Calif., Aug. 23, 1924.
Mr. A. R. O'Brien,
Republican Press,
Ukiah, California.

The wide publicity the Republican Press has given to the recent arrests made for trespassing on the John L. McNab ranch, and other arrests made prior to this, and the impressive articles which you have been publishing denouncing outside trespassers on private property, has been brought to the attention of the California Wool Growers Association and we, as representatives of the wool-growing and sheep-raising industries of the State of California, wish to thank you for the stand you are taking.

You are to be commended on your good work and we are sure that your efforts will redound to the ultimate interests of the stockmen of California.

Again expressing our sincere thanks and appreciation, we are

Very sincerely yours,
California Wool Growers Assn.

Fort Bragg Couple Have Fourteen Children And Go After A Prize

As the result of publicity given in The Fort Bragg News two weeks ago, Fort Bragg this week has an entry in the "biggest family" contest being staged by the state fair management at Sacramento, in the persons of Mr. and Mrs. Chas. G. Hekkala and family of 14 children, of Noyo hill. The Hekkala family may not be the largest in point of numbers competing at the state fair, but The News believes it will rank well up in front as the youngest family of its size collectively, taking part in the contest. The average age of the 16 Hekkalas, including the parents, is only 18¾ years, while the average age of the 14 children is but 12½ years.

WARD MEAT MARKET DAMAGED BY A FIRE

Considerable Loss Is Sustained In Blaze Sunday Evening

MADE FINE RUN

It was only four minutes from the time the fire truck started out of the fire hall before water was being poured on the interior of the Ward Meat Market Sunday evening. While the department always responds rapidly, the time consumed in getting into action Sunday was even better than usual and has brought out many compliments for the department.

Fire in the Ward Meat Market at School and Standley streets Sunday evening at eight o'clock badly damaged the interior. The fire started in the rear and had a good start when discovered by passers by, who turned in an alarm. The Ukiah fire department did effective work and the blaze was quickly subdued but not until the interior had been badly burned. The market resumed business Monday morning under a handicap. The barber shop of Harry Cameron, which is in the front of the building, was damaged by smoke and water. The Ward refrigerating plant suffered but little damage. The property is owned by the Ames estate and the heirs will immediately begin repairs on the building which will be made as modern as possible. The cause of the fire is unknown.

George Gibbs has it in his possession and takes great pleasure in exhibiting it to hunters.

Poem by Uncle John

The joy of renderin' service to our patient feller men has met with God's approval sence—it ain't no tellin' when! So, I greet the August mornin' with rejuvenated pluck, an' devote my artist-energy to raisin' garden truck.

I reckon there is millions in the hole that reaches Oil—but, a feller sleeps lots sounder as a tiller of the soil,—there's too blame many debits to a "pool" that ain't been struck,—I'd ruther handle credits as I hoe my garden truck.

With everything around me fairly leapin' to my taste, and with appetite so capable that nothin' goes to waste—if that ain't life's completeness, then I reckon I am stuck—but, I can't take time to argy, when I'm raisin' garden truck!

If we foller out our ruthers—then our life is like a song,—the cabbage plant and onion sett don't treat a feller wrong,—then the crispy, crinkly lettuce—an' the sweet corn in the shuck—we can't ignore the dividends from raisin' garden truck!

THE TRUTH "—is also found in frank confession of error"

The Republican Press will be glad to receive and publish corrections of inaccuracies in its columns.

WHY NOT STOP IT?

ELSEWHERE in this issue is a communication from The State Woolgrowers Association to The Republican Press. In the letter The Press is praised for its campaign asking for punishment of lawbreakers who come into Mendocino county, invade fenced, private properties, destroy stock of Mendocino county, kill game indiscriminately and bring dogs from sections which may have, in the recent past, been under suspicion of having had foot and mouth disease. This newspaper does not believe it is entitled to any special thanks for advocating the punishment of the lawbreakers. It thinks it is the proper position for a newspaper to take. Mendocino county ranchers have done everything they can to protect themselves — The Press alone has printed scores of trespass notices; it has run many paid warnings from ranch owners directed to trespassers; rangers have been employed to patrol ranges and, seemingly everything done to halt outrage, but relief has not yet come. It would seem to The Press the proper thing for justices of the peace to do is to see that heavy fines, or jail sentences, or both, are imposed and, maybe the end may come quicker.

Not only are the rights of the farmers being entirely disregarded, but the following taken from The Mendocino Beacon, shows what is happening to our game:

"While hunting on Signal Ridge last week, Ed Jakway, while going along a gulch ridge, was attracted by buzzards at the bottom of the gulch, investigated and found the carcasses of a buck, an old doe, two fawns, and a yearling doe, which had been ruthlessly slaughtered and left, after they had been shot and rolled down the hillside into the gulch. That hunter, if he could be called such, is entitled to about two years in San Quentin for his act and to be forever barred from hunting."

Other people are coming after us and, unless a drastic stand is taken, no game and but few forests will remain for them.

SOMETHING TO THINK ABOUT

THE Lakeport Bee last week carried the following editorial:

"Recently in Ukiah, both local newspapers carried editorial comment denouncing the policy of a certain organization of that place which gave its printing to an establishment that offered a lower bid on a printing job than the two newspapers could do the work for. The newspapers' grievance was justified and the organization has seen its shortsightedness undoubtedly.

"It was explained by the newspapers that their columns were always open to the organizations' publicity which was always run free. But when a printing job came along, whereby the newspapers for running free publicity for the dollar, the work was given to an outsider. The heavy cost to the newspapers fo rrunning free publicity for the organization was never taken into consideration.

"We are not trying to call to mind any instance in Lake county when the same thing was done as in the Ukiah case. But similar cases have happened. Organizations and individuals who use the local papers continually for free publicity should not complain about paying a fair price for their job printing, if good quality and workmanship is shown. Prices for printing are based on standard costs. It is not the object of any legitimate printer to overcharge anybody. He is entitled to a fair margin of profit and that is all he takes. When you ask him to give you his profit, how in the name of common sense can you expect him to stay in business?

"Community newspapers seldom make their owners very rich. Under the present conditions which most country papers are confronted with, job printing is a necessity to keep the help busy part of the week when they are not working on the paper. If all the good citizens of the community would send their printing to an outside source, how would it be possible to keep the help in the shop to put out a good newspaper?

"A good newspaper is a community builder. It is one of the biggest assets any town or city has. It usually receives loyal support when it does its duty well and that is printing the news in a fair and impartial way. And good newspapers do not use their editorial columns to beg anybody for assistance but they have a privilege to ask for fair play and they are entitled to get it. If they don't, it usually is the other fellow's worry, not theirs."

EVENED THE SCORE

During the last presidential campaign a lone Republican in a Democratic town in South Dakota found it impossible to rent a hall in which to make a speech for Harding. No one sympathized with him, but one of the leading Democrats thought to "rub it in," so offered the Republican the use of his vacant lot at the east end of town, in the center of which was a pile of manure. The offer was accepted and when the day came for the speech the Republican undaunted, mounted the manure pile. He complimented the large audience for its courtesy and said he had been making speeches for more than 40 years, but this was the first time he had the pleasure of making a Republican speech from a Democratic platform.—**Alfred Romig.**

SELF-STYLED MESSIAH IS NOW IN ARKANSAS

Giant Woodsman, Insane, Makes Claim For Property

An echo of a famous case was heard here this week when a demand for the return of property belonging to James Wickersham came from Yellville, Ark. It will be recalled by many Mr. Wickersham was the giant woodsman who, becoming mentally unbalanced at Glen Blair, imagined himself a Messiah and posed as Christ. He was brought here from the coast and, following an examination, was sent to the Mendocino state hospital, from which he later on escaped. He was next heard from in Washington and then all trace of the man was lost until the communication came the other day from the southern state. Mr. Wickersham had about $1700 in cash, a watch and some small property. The belongings of the erstwhile insane man were sent to Arkansas by the authorities Tuesday.

Said He Was Sane.

In the letters which came from Yellville was one from the probate judge of the county in which Yellville is situated. The judge stated he had known Mr. Wickersham for 30 years and that he was no more insane at this time than he was when he first saw him.

Can Remain There.

Mendocino county will not make any effort to have the fugitive brought back, preferring to allow him a chance to get along among old friends.

FRUIT MAGNATE VISITS FRIENDS IN THE CITY

Biggest Operator In The Country Was In Ukiah Friday

Joseph DiGeorgio, who as the head of various corporations aggregating $27,000,000, controls the fruit industry of the United States, having interests of vast size in California, Mexico, Central America and numerous eastern fruit growing states, was in Ukiah Friday and went to Sacramento the next day.

Has Friends Here.

Mr. DiGeorgio has a number of old acquaintances here and was warmly welcomed in the city. When the Earl Fruit Co. was purchased from Armour & Company, it was Mr. DiGeorgio who acquired it. Development of the banana market by Mr. DiGeorgio and his associates has extended to the point where in Mexico alone, they control 17,000 acres of banana plantations, besides numerous other big plantations farther south.

A Costly Talk.

The day Mr. DiGeorgio was here he received an offer of $100,000 for an oil lease on some property he owns near San Bernardino, but declined it. In San Francisco Thursday while talking to a Ukiah man Mr. DiGeorgio had occasion to call New York on long distance and when it came to paying for the conversation Mr. DiGeorgio made the telephone company richer by just $88 for the service.

HAVE A SON

A son was born at Langland hospital Wednesday, August 20, to Mr. and Mrs. F. W. Williams of this city.

Dr. and Mrs. S. L. Rea and two sons returned Monday evening from a vacation passed in the Bay cities.

OFF TO WORK

A group of 12 local boys left this city Tuesday morning under the charge of the Rev. A. Doak, of the Christian church. The boys were enroute to College City, near Woodland, where they will pass two weeks harvesting the crop of grapes on a ranch owned by Rev. Doak. Among the group were Ronald Fulkerson and Carl Amstein. The boys were traveling in a truck and carried a complete camping equipment.

THE LEADER OFFERS BIG DRY GOODS SNAPS

All Lines Reduced At Sale Which Starts This Week

S. Cohn, of The Leader, is home from San Francisco this week, after having made one of the largest purchases of the fall season from the Milton C. Cooper Co., a big jobbing house of San Francisco, which had a slaughter wholesale sale in order to reduce its lines preparatory to moving into its gigantic new home in the city.

They Will Be Turned.

Mr. Cohn bought many lines and all of them he will place on sale at once. In addition to the bargains bought from Cooper & Co., Mr. Cohn has some extraordinary temptations in ladies' suits, dresses and coats. DOUBLE FUNERAL WAS HELD IN PETALUMA

Grandmother And Her Grandson Rest In One Grave

Henry Garms, son of Mr. and Mrs. Arndt Garms, of this city, died Friday evening at 8:30 o'clock. The boy, who was nine years old, had been a resident of this city but a few weeks, coming here from Petaluma to join his parents, who had resided here for some time. The lad's death was caused by heart disease resulting from an attack of scarlet fever suffered about three years ago. A few hours after the death of the boy, word was received the grandmother, Mrs. Andine Garms, a pioneer of Petaluma, had died at the family home there at 11 o'clock.

Double Burial At Petaluma.

Saturday, Mr. and Mrs. Arndt Garms accompanied the body of the child to Petaluma, where a double funeral was held Sunday. Mr. Garms is employed at the Romer Vista Stock Farm, south of this city.

He said: "Orange Frappe." Then
She said: "Peach Melba."

So in ten minutes they were seated in a cool, comfortable spot just ten steps from our town-famous soda fountain.

She said: "A nut-peach melba with whipped cream, please." Then
He said: "Oh, gimme a chocolate ice-cream soda, I guess."

And we did. They did. And everybody was happy. Why don't you try it?

FAMILY HOLD REUNION

An interesting family reunion was held Sunday at Laurel Dell in Lake county when members of the pioneer Keller family of this city arranged a delightful picnic lunch in honor of Mr. and Mrs. N. Garner and three children of Taft. Mrs. Garner will be remembered as Miss Martha Huchholz, a former resident of this city and niece of Mrs. Mamie Parker, G. A. Keller and Mrs. C. W. Dahlstrom of this city with whom she and her family are visiting. The day was delightfully passed at the lake side resort. Those who were present included Mrs. Mamie Parker, Mr. and Mrs. G .A. Keller, Mr. and Mrs. John Keller and son, Richard, of Willits, Mr. and Mrs. C. W. Dahlstrom and daughter, Mr. and Mrs. N. Garner and two children, Mr. and Mrs. C. J. Beckley and Mr. and Mrs. Lawrence Beckley and two children of Taft.

GUESTS FETED

Mr. and Mrs. C. L. Crawford entertained at a dinner party Friday evening at The Palace hotel complimentary to house guests of the Crawford family from Ohio and Portland. Covers were laid for more than two score guests at a handsomely appointed long table. The flowers used for decorating the table were from the Crawford garden and exquisite in color combination. Those present were Mr. and Mrs. C. L. Crawford and son, Charles, Mr. and Mrs. Wayne Crawford and son, Clifford Wayne; Mr. and Mrs. Ivan Crawford, Mrs. Rose Eckhart, Mr. and Mrs. J. D. Garber, of Ohio; Mrs. C. M. Linds and daughter, Lucille; Mrs. Clint Kays, Mr. and Mrs. Jack Phlager, and Mr. and Mrs. Lawrence Tynan, all of Portland; Mrs. Ann Murphy, of San Francisco; Miss Veta White, and James Crawford.

OBSERVE BIRTHDAY

In honor of his eighteenth birthday, John Crawford was host, on Wednesday evening, to a group of school and family friends at an outdoor supper party on the Crawford ranch. The party was staged at the hop kiln, where chickens and ears of corn were roasted over an open fire and supplemented, at the table service, by all the good things of the harvest season. Those who were present to felicitate the young host upon the happy occasion were his parents, Mr. and Mrs. L. E. Crawford, Mr. and Mrs. D. C. Smith, Mr. and Mrs. A. R. O'Brien, the Misses Margaret Cox, Naomi Mason, Ruby Crawford, Juanita Iversen, Lucile Lynds and Messrs. Billy Lawton, Lloyd Cox, Clifford Wayne and James Savine Crawford.

ENJOY LAUNCH PARTY

A group of Ukiah folk entertaining friends from abroad, were hosts at a launch party on Clear Lake Sunday. The hosts were Mr. and Mrs. Chester Cox and Mr. and Mrs. L. H. Foster and their guests included Mr. and Mrs. F. G. Hoffine, of Los Angeles, and Mr. and Mrs. Winnie Cox and Mr. and Mrs. J. Hunter and baby, of San Francisco. Others in the party included Margaret and Lloyd Cox, Mr. and Mrs. M. Howard, Master L. Foster and Mr. and Mrs. Sam Wattenberg.

James McFarland, of Elk, was in Ukiah a few days last week attending to business interests.

Republican Women Start National Campaign

Mrs. Alvin T. Hert, vice chairman of the Republican National committee, has just announced the opening of the National headquarters of the women's bureau of the campaign on the second floor of the Wrigley building, Chicago. Eastern headquarters have been opened in New York city.

The Women Voters Speak

The voices of the women of America are making themselves heard. From Maine to California, with a unison which is infectious, they are saying, "We want Coolidge and Dawes."

In the weeks which have elapsed since the Republican party nominated its standard bearers, the women have been weighing these candidates and their respect has gone out to these men, who represent the best qualities in American manhood.

All signs show that the women of the country have been weighing the Republican platform and that its pledges have won their support.

Women know that the running of the nation's business is simply housekeeping on a national scale. They know that there is nothing mysterious about it. They want the government to be managed as simply and as inexpensively as they manage their own homes. The women have heartily approved the budget system which the Republicans have established at Washington. They were quick to endorse the reduction of taxes by $1,250,000,000 per annum and the curtailment of public expenditures without in the slightest disturbing business. When the Republicans stated:

"We pledge ourselves to the progressive reduction of taxes of ALL THE PEOPLE as rapidly as may be done with due regard for the essential expenditures of the government administered with rigid economy," the women knew that the country would be safe if Republican candidates were elected to office.

The platform's promise to continue the party's solicitude for all those suffering any disability as a result of service to the United States in time of war was particularly appealing to the women.

Pledges of law enforcement, the quest to the states to promptly consider the Child Labor amendment, the declaration for high standards of wages, working and living conditions for women workers, and a score of other progressive planks have won the support of the women.

Their minds at rest about the program of the Republican party if elected to run the government for the next four years, the women have started their campaign. They want Coolidge and Dawes and they are working to get a record-breaking number of women to the polls next November.

JUVENILE BIRTHDAY

Margaret Crankshaw was hostess to 14 little friends Thursday afternoon in honor of her ninth birthday. The little miss received her guests at the home of Mrs. Ted Dowlen, where the afternoon was delightfully passed in romping and games and a dainty refreshment service at which pretty favors were presented each guest.

DISTINGUISHED GUESTS

A. Kellogg, the bird man, famous all over the world for his excellent imitation of bird notes, was a visitor to The Terraces, the mountain garden home of Mr. and Mrs. Carl Purdy, last week-end. With Mr. Kellogg, as travel companions were Mr. and Mrs. R. Van Patten, of New York and Pasadena, who were seeing northern California for the first time. The party attracted considerable attention while in town owing to the fact they were accompanied by a German police dog of great beauty and size. Mr. Kellogg resides at Morgan Hill and is a close personal friend of Mr. Purdy, whom he has often entertained at his home. The visitors expressed great interest in the natural beauty of the Ukiah valley, being especially enthusiastic over the great oaks and other fine native trees.

RECEIVE PRESIDENT

Vieing with each other to attain a perfection of detail in every feature, the various committees in charge of the entertainments offered Monday night by Cornelia Rebekah Lodge brought credit to themselves and the organization they represented. The affair was arranged in honor of the visit of Mrs. Marie Steinman, of Pasadena, president of the Rebekah assembly of California. Mrs. F. E. Bertsch was general chairman of the evening. The I. O. O. F. hall was beautifully decorated in masses of greenery and French marigolds, and the initiatory degree was conferred on Miss Winifred Beckley. The entertainment offered included a beautiful flower drill. About 30 members of the Willits lodge motored down for the event. Supper was served following the close of the evening's program.

F. L. Abramson and George E. Dahl, of Fort Bragg, motored to Ukiah last week-end for a brief visit.

Mr. and Mrs. Winnie Cox, of San Francisco, former residents of Ukiah, were in town over the week-end as guests in the Chester Cox home.

ENTERTAIN FRUIT MAGNATE

Friday evening at the hospitable home of Mr. and Mrs. A. Perelli-Minetti Joseph DiGeorgio, who controls the fruit market of the United States, was guest of honor at a dinner party arranged on the occasion of his visit to the Ukiah valley. The elaborate dinner was one of those especially fine Italian services for which the Minetti kitchen is famous and those invited remained long about the big table doing ample justice to the savory dishes. Those who partook of Mr. and Mrs. Minetti's hospitality were Joseph Di Georgio, Mr. and Mrs. A. R. O'Brien, Mrs. A. Frachia, Major A. R. Thomas, E. L. Cunningham and Thomas Madison.

PYTHIAN SISTERS

At the meeting of the Pythian Sisters Friday evening at I. O. O. F. hall membership degrees were conferred on seven candidates. They were Mr. and Mrs. George Vevoda, Mrs. Jane Gibson, Miss Grace Toles and Messrs. De Motte, Evart Mitchell, Paul Lamparti. Following the initatory services refreshments were served and a social hour enjoyed by the large membership present. Plans for a district convention were discussed but nothing definite was decided at the meeting.

FRIEND HONORED

Complimentary to Leslie De Motte, who is leaving Ukiah shortly to enter business college, Mrs. Vivian Friend was hostess at a party Wednesday evening. Dancing and music and a supper service featured the event. Those who were present were the Misses Vera Van Dyke, Irma Gillespie, Hazel Lyon, Pearl Lauffer, Cora Gillispie, Honora Campelle, and Messrs. Orval Archer, Robert Rice, Ralph Purdy, John McDonald, Ronald Luce, Jay Beck, Leonard Michelson and Leslie De Motte.

HERE FOR VISIT

Mrs. F. Moulton, of Pasadena, has been enjoying a visit in Ukiah at the home of her son, A. F. Moulton, in Oak Park. Mrs. Moulton has recently returned from a visit in New York, where she attended the national convention of the Young Women's Christian Association in which organization she is prominently identified in Southern California. Mrs. Moulton has frequently visited here, where she is always cordially greeted.

VISITED HERE

Mr. and Mrs. Arthur McMains and son, Kenneth, of Oakland, motored here Thursday for a short visit at the home of Dr. and Mrs. G. W. Stout. They were accompanied home Sunday by their son, Alfred, who passed three weeks as a guest in the Stout home.

J. A. Youngreen, a prominent banker of Upper Lake, was registered at The Palace Hotel last week-end.

SON IS BORN

From Berkeley, this week, comes news of the birth of a son to Mr. and Mrs. Ferris Moulton, former residents of this city. The little boy, who has been christened, Ferris, Junior, is the second child in the family. The Moultons were prominent here and many local friends will rejoice in the happiness that has come to them through the birth of the baby.

FOR CLUB GUESTS

Mrs. Lilburn Gibson provided very delightfully for the members of her bridge club Wednesday when they met at her home in Walnut avenue for cards and tea. The score favor was won by Mrs. W. A. Thornton.

E. H. Percy and E. L. Swinehard, of Fort Bragg, were in Ukiah last week for a brief business visit.

INFORMAL MEETING

Owing to the fact so many folk are out of town or busy with the harvest the meeting of the Ladies Missionary Society of the M. E. church, South, on Thursday afternoon was very informal in character. Mrs. Charles Thomas presided and Mrs. C. H. Duncan and Mrs. L. C. Beasley were in charge of the literary and social features which included a service of ices and cakes.

CARD OF THANKS

The undersigned wish to express their thanks to the Liberty Cafe for past favors in serving the members of the Ukiah Fire Department with hot coffee while fighting fire in the business section and to the Ukiah Grill for their courtesy in serving coffee Sunday evening, upon the occasion of the fire in the Ward Meat Market.

THE WORKINGMAN'S STORE

R. Weil, Prop. Opposite the Courthouse Ukiah, Calif.

"JUST TWENTY-ONE"

One of the important factors in the election of the man who is to be the next President of the United States, will be the young men and women who are just old enough to vote.

Some of these first voters are wage earners, others are still in college. They share a common responsibility, that of expressing the views and wishes of the youth of America.

Here and there when a young man or woman can be persuaded to talk about it, they are heard to say that they want to keep President Coolidge on the job at Washington for the next four years. They can do it.

COOLIDGE CHOICE OF WOMEN VOTERS

Mrs. A. T. Hert Praises Child Labor Policy.

"What the future holds for the wage earner and the wage earner's family, is of vital interest to the women of this country." Mrs. Alvin T. Hert, vice chairman of the Republican National committee, stated in a recent interview. "Therefore, the promises of the political parties on the subject of labor are of the greatest importance. When we reflect that there are eight and one-half million women wage earners including two million married women wage earners who are directly affected by labor legislation, as well as the wives of the laboring men who are interested in the protection afforded labor, the importance of the question can be plainly seen.

"Every woman in America is interested in the question of child labor and wants to see the children of this country safeguarded during the most important years of their lives.

"A fair deal to labor was assured by the Republican party in its platform accepted by the national convention in Cleveland. The platform pledges continued progressive reduction of taxes, rigid economy in government and promises protection against undue exactions.

"To the Republican party goes the credit of being the leader in the campaign for national legislation to protect the children. It was the party that enacted the first federal child labor law," Mrs. Hert said. "The Republican platform commended congress for its prompt adoption of the recommendation of President Coolidge authorizing congress to pass protective child labor legislation. It also urged the prompt consideration of the amendment by the legislatures of the various states.

"This law, when ratified, will afford nation-wide protection for child workers.

"The average woman of today is worker. She either works to support herself and those dependent upon her or she works to make the family income buy as many comforts for her family as possible.

"The last federal census showed that out of 572 occupations, only 35 did not have women workers. Women have entered the realm of industry and they must be carefully protected. The action of the Republican platform in favoring high standards of wage, working and living conditions among women has received widespread commendation.

"The election of President Coolidge and Mr. Dawes, supported by a Republican congress, will mean continued prosperity for the average home."

WOMEN OUT TO BEAT 1920 VOTE

Women are getting down to the business of voting.

Statistics show that approximately 25 per cent of the women eligible to vote, actually voted in 1920. This means only about one out of every four.

In 1920 one state had 3,762,879 voting citizens, her total vote was 2,690,468. What about the 1,072,411 who did not vote?

The women's bureau of the Republican National committee, with headquarters in Chicago, has just issued an appeal to the women asking them to see that every eligible voter in their families goes to the polls on registration day.

Women are out to round up the "slide slackers," and this means men as well as women.

HOP-PICKING WEATHER RUNS TRUE TO FORM

Thermometer Was Up To 110 Monday—Hot Days Needed

True to old-time form Ukiah weather conditions took on a normal attitude this week when the mercury jumped to 110 degrees Monday, according to Dr. McCowen's official weather report.

Means Early Fall?

The season has been phenomenally cool during August and the weatherwise have been predicting an early and wet fall season. This theory has been upset somewhat by the weather bureau report. Hop pickers and others employed in harvesting are suffering some discomfort, particularly as the heat is causing the hop blossoms to develop rapidly thereby causing a scurrying among growers to get the hops in the kilns as soon as possible.

Personal Mention

The Misses Nettie and Pearl Taylor are in San Francisco this week.

Elmer Gibson and party were successful hunters the last of the week.

Mr. and Mrs. Chas. Schaffer were in Ukiah Friday last, coming back from Eureka where they had gone to visit relatives. They stopped in Ukiah over night, visiting at the home of Mrs. Schaffer's sister, Mrs. Mary Hughes.

Miss Bertha Watson and Mrs. Josephine Mathews are home from a fortnight's trip to southern California.

Walter McConihe, who has a position at Richmond, passed the week-end with Ukiah friends.

Mr. and Mrs. A. A. McGimsey, of Livermore, are visiting relatives and friends in Ukiah and vicinity during the two weeks vacation enjoyed by Mr. McGimsey.

Volney Van Dyke was a Potter Valley visitor Monday afternoon.

Miss Lizzie English, a former resident of Mendocino county, is in Ukiah this month as the guest of Mrs. Alpha Lane.

Mr. and Mrs. A. D. Scott returned home Sunday evening from a motor trip to points in southern California.

ESCAPED CONVICTION

Man Charged With Starting Fire Last Fall Is Declared Not Guilty

Randolph Frazer, who was arrested two weeks ago on a charge of setting fire in the vicinity of Wild Horse opening last September, was tried in Judge Murray's court in Mendocino Wednesday and, lacking sufficient evidence to convict the defendant, the jury found him not guilty. The significant fact in the case is that a man was brought to trial for causing a forest fire. It shows that the fire wardens in this part of the country are on the job and that they intend to see the laws for the prevention of forest fires are enforced, and will spare no pains to apprehend those who persist in setting fires in violation of the law and in jeopardizing lives and property.

RAINED ON COAST

A nice rain visited the Mendocino section last Monday and continued through the night. The ground was pretty well soaked and early Tuesday morning the road crew was put out with the scraper putting the roads in shape.

Mrs. Sophronia Tryon, who has been absent from Ukiah for several months, has gone to Rockaway Beach, San Mateo county, and will not likely return to Ukiah this year.

Mrs. Lena Ellis was a week-end visitor here enroute from her home in Lakeport to the home of her sister, Mrs. Luther Redemeyer, at Laytonville, where she will visit for a month.

Mr. and Mrs. John Barker are returning to their Alameda home Thursday, following a pleasant fortnight's visit here.

Mrs. Helen Dowling, wife of Major Paul Dowling, of the United States army, is here from Texas for a visit with her parents, Mr. and Mrs. C. A. Aldrich. Mrs. Dowling came up from the Bay cities Wednesday.

Mrs. F. E. Bertsch and Mrs. B. H. Miller motored to the coast Sunday by way of the Navarro highway. They returned that evening accompanied by the former's son, Harold, who had been visiting relatives at Littleriver.

J. L. Brown, of this city, leaves today for Lakeport, where he will visit his sister, Mrs. C. Jenkins, for a few weeks.

Fort Bragg Likely To Meet P. O. Demands

Following months of persistent effort on the part of Mayor H. W. Little and the members of the board of city trustees, backed by similar efforts on the part of postmaster W. W. Ware, as a result of which house numbers and street signs were placed throughout Fort Bragg, Inspector R. W. Madden, of the San Francisco office of the postal department, on Wednesday evening arbitrarily put a crimp in all present hopes for free city delivery of mail by refusing to recommend such action to th edepartment. It is very probable the citizens of Fort Bragg will arrange to meet whatever requirements the postal authorities outline and, in the end, obtain free mail delivery.

HANGED HIMSELF

Floyd Carter, an inmate of the Mendocino state hospital for about a year, committed suicide Sunday morning by hanging. The dead man was 36 years old. He was buried in the local cemetery Monday morning.

Mrs. Perle Crawford left Thursday for Los Angeles, where she will be the guest of her sister, Mrs. C. P. Ballard. Mrs. Crawford accompanied Dr. and Mrs. Ballard home following their return from a visit here.

Herbert Singley, son of Mr. and Mrs. Henry Singley, left Saturday for Oakland, where he will complete his senior year at St. Mary's college.

Mrs. C. V. Scott, mother of Mrs. Chester Cox of this city, is passing a fortnight at Orr's Hot Springs.

EPH. WEISS, the expert refracting optician, will be in Ukiah at the Hotel Cecille on September 6th and the 1st Saturday of each month thereafter.

Victim Of Fort Bragg Auto Accident Ran Amuck—Was Recaptured

Suffering from a broken arm and several superficial wounds sustained in an auto accident the previous day, Angelo Bianucci, a patient at the Redwood Coast Hospital, while laboring from temporary mental derangement, jumped from a window in the ward on the second floor to the ground, a distance of 25 feet, without suffering any apparent ill effects. Clad only in an abbreviated garment, the demented man caused considerable excitement as he ran down Fir street, yelling at the top of his voice, but his emotional outbreak soon ended and he was conducted back to his quarters in the hospital, where he has since been making an uneventful recovery.

Preston Johnson, who holds a responsible position in San Francisco, accompanied by his father, George A. Johnson, returned home Saturday from a hunting trip at Bell Springs.

Dr. and Mrs. D. R. Smith and party were among many who motored to the coast Sunday.

A. Mossi, who is in charge of the poultry yards at the Mendocino State hospital at Talmage, was in Ukiah Saturday afternoon.

Senator F. C. Handy was mingling with old friends at Talmage Sunday.

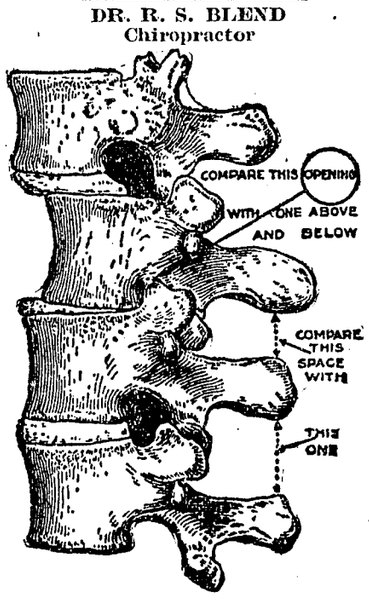
CHIROPRACTIC

AND

THE NERVES

DR. R. S. BLEND
Chiropractor



Examine the picture of a part of a spine with a sub-luxation (displaced vertebrae) and you will realize what happens to your nerves when they become pinched between vertebrae that get out of alignment through accident or heavy strains. When a nerve is pinched by subluxated vertebrae it can not supply the organs with the normal amount of energy and disease is the result.

The Chiropractor adjusts the displaced vertebrae to a normal position, which removes the pressure on the nerves and allows them to do their full duty and a gradual return to health is then possible.

You can no more have health with impinged nerves than you can have efficient service from your automobile with only half of its cylinders firing. Don't wait till your machine stops, see me now, I will be glad to explain to you how Chiropractic will help you. Examination and spinal analysis is FREE.

WIDOW ENJOYED HER ESTATE ONLY 4 DAYS

Mrs. J. H. Boyd Given Property Short Time Before She Died

Death intervened before the property left by J. H. Boyd, who died some time ago, could be enjoyed by his widow. At the time of the passing of Mr. Boyd he left an estate valued at something like $5000, which he decreed should go to his widow, Alice J. Boyd. The task of winding up the estate was commenced just after Mr. Boyd died, and recently completed and, just four days after the estate was assigned Mrs. Boyd, she died.

To Restart Proceedings.

Over in the probate court offices this week new proceedings were started—these were the winding up of the estate of Mrs. Boyd, which estate fell to her possession for use so few days before she passed away.

IS PUBLIC SPIRITED

Robt. Austin, accompanied by Mrs. Austin and the baby, are in Sacramento where Mr. Austin is capably looking after the placing of the exhibit of Mendocino county. Mr. Austin is allowed two weeks' vacation by the Pacific Telephone & Telegraph Co. each year and obligingly uses it to go to the State Fair and do a great work for his home county.

BILLY HELD IS HIGH AS CURTIS SALESBOY

Local Lad Sixth Among Entire Country In Point Of Merit

"Billy" Held, son of Mr. and Mrs. W. D. L. Held, of this city, has just been notified by telegraph he has been selected for the "Master Rank" in the League of Curtis Salesmen. This is a national organization for boys which is maintained by the Curtis Publishing Co. of Philadelphia.

He Stood High.

In the entire United States there are less than 200 boys in the "Master Rank." Billy has won this enviable distinction by making an excellent record as a local representative for the Curtis publications and by splendid work in school.

He Lands A Fob.

According to the size of Ukiah Billy is ranked as the sixth best seller in the United States. He has been awarded a gold watch fob and because of the unusual qualities which a boy must develop to win promotion to the "Master Rank" the Curtis Publishing Co. guarantees to obtain for each "Master" a desirable position with a responsible employer when the boy has finished school and is ready to take up permanent work.

COMPLETED TRAINING

Miss Gloria Montgomery, daughter of Mr. and Mrs. Ben Montgomery of this city, has just commenced a course in beauty parlor training in San Francisco and has returned to this city and accepted a position in the Greenland Beauty Shop.

Broken Dollar Offers A 20-40 Per Cent Cut In All Lines

Denham's Broken Dollar Store this week starts its Once-a-Year-Sale and the prices made indicate the offerings represent genuine cuts. In many lines, Mr. Denham says, you will be able to save 40 per cent and in other departments you will save 20 per cent over the regular prices found at Denham's and, it should be remembered that, at all times, Denham's prices are rock-bottomed.

Nothing Is Reserved.

The sale covers everything in the store and whatever you buy at this sale—whatever you want—will be given you at a big saving. Those who do not appreciate what full lines The Denham Broken Dollar Store offers should visit the store during the sale and they will be agreeably surprised.

value.

Two Good Ones.

Following this attraction the Saturday offering will be another Paramount picture, "The Bedroom Window," starring May McAvoy and Malcolm MacGregor. "Hello and Goodbye," the last episode of Witwer's popular Telephone Girl series, and two other short reels of merit.

A Nice Sunday Program.

The Sunday feature, a story of Yankee pep and Spanish fire, will be Mae Murray's latest and greatest offering, "Mademoiselle Midnight," in which she is supported by such favorites as Monte Blue, Robert McKim and Otis Harlan. The short subjects for this date are not to be overlooked either, for they consist of an exceptionally clever Mack Sennett comedy, "Wall Street Blues," Aesop's Fables and Kinograms.

Something to Laugh At.

Tuesday and Wednesday's program, which consists of Buster Keaton's "Sherlock Jr.," a picture that is funny enough to give a bald head a permanent wave, Stan Laurel, the "rib-wrecker," in "Brothers Under the Chin," a burlesque on "Brothers Under the Skin;" Topics of the Day and "Price of Progress," a special Pathe subject, is beyond a doubt the strongest comedy show ever put before local patrons, and the management suggests that all who do not care to laugh had better stay away for these two nights as this show is guaranteed to carry 1000 laughs to the reel; and following this attraction we take great pleasure in presenting Gloria Swanson in "Manhandled," "Glorious Gloria's greatest," that made such a pronounced hit at the Imperial theatre in San Francisco recently.

NOTICE TO HUNTERS

The owners of the McNab ranch regret that, owing to the wilful destruction of property and the setting of fires by certain alien hunters, it has become necessary to lock all range gates and close the ranges during the hunting season of 1924. Rangers will patrol the boundaries. To prevent misunderstanding by non-residents, notice is given that there is no government or vacant land of any description within the entire enclosure.

FOUR STUDENTS WILL SEE THE STATE FAIR

Worthy Scholars To Be Guests Of The Big Annual Affair

This year the State Fair is staging a special department in the nature of a school or conference for best agricultural students from the high schools of the state. The Fair furnishes free to the students, admittance to the fair, admittance to fireworks display, admittance to the vaudeville, admittance to the horse show, a fully equipped camp with beds and mattresses, and three meals a day for September 1, 2 and 3. Four boys will be admitted from each high school agricultural department.

To Continue Hereafter.

This is to be an annual affair hereafter and will include fruit, poultry, livestock and machinery study and judging contests. It is in the nature of a reward for good progress in the study of agriculture, as the four best students in each school are entitled to make the trip. The high school furnishes the boys with transportation. Arthur Shultis, of the Ukiah Union high school, is going to take four of his most worthy students.

Schools Should Support It.

This action on the part of the State Fair organization shows it has the interests of agriculture at heart not only for the present but future as well. The State Fair deserves the hearty support of everyone, especially the farmers. Many people overlook the fact that the State Fair is one of the greatest of our California Educational Institutions and one which is nearly self-supporting. Nowhere can one see and study such a collection of quality agricultural products, farm machinery and livestock of various kinds elsewhere. This year on account of the hoof and mouth disease, poultry and horses will be the only livestock shown.

ANNOYING KIDNEY ILLS

Make Life Miserable for Many Ukiah People.

There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is indeed, a burden. Doan's Pills have given peace and comfort to many Ukiah people. Profit by this Ukiah resident's experience.

Mrs. B. M. Davidson, 320 E. Perkins St., says: "I had a great deal of trouble with my kidneys. They acted irregularly and I had severe backaches. I could hardly keep going and suffered from headaches and dizzy spells most of th etim e. I read of Doan's Pills and got some at Gibson's Drug Store, and they fixed me up in good shape. The backache left and my kidneys were strengthened. I have great confidence in Doan's Pills and always recommended them.'

A. J. Fairbanks Gets $48,000 Road Contract

A. J. Fairbanks, who has a contract from Humboldt county to build six miles of road from Willow Creek down the Trinity river to the Hoopa Valley reservation reports much progress is being made. About three weeks ago Mr. Fairbanks placed a crew of men at work at that place clearing the right-of-way for the steam shovel to begin operation. According to the latest statement, about two miles of that section has been cleared. Mr. Fairbanks' contract calls for six miles of road, which he agreed to build for the sum of $48.250.

BOUGHT A DODGE CAR

(Santa Rosa Republican)

Sheriff Ralph Byrnes, of Mendocino county, came to Santa Rosa Wednesday and when he returned to Ukiah later in the day he was at the wheel of a handsome new Dodge car purchased from J. Henry Williams, the distributor of Dodge cars. "I'm strong for the car," said Sheriff Byrnes, before leaving Santa Rosa.

John Redemeyer and son, Whitney, are in Nevada. Whitney Redemeyer entering the university of that state and his father accompanying him to see he got settled nicely.

Roamed Many Miles In A Very Short While

S. E. Mitchell, of The First National Bank, and Frank Lamperti are home from an automobile trip which took them up the coast, across the state to Grants Pass and then to the Oregon Caves. They traveled over 1100 miles and made their distance in seven days, including the stops necessary.

Mr. and Mrs. G. B. Tibbot, who years ago were connected with the privately owned gas plant in Ukiah, were in town Saturday returning to San Francisco after having been on a fishing trip for about a month. Stopping here to renew old acquaintances Mr. and Mrs. Tibbot were delightfully surprised at the progress they encountered on every side.

Judge H. L. Preston returned Friday from San Rafael where he heard evidence in a famous Portuguese will case which, on former occasions, has been bitterly contested in the courts there and which only recently was remanded for re-trial by the supreme court. Judge Preston has taken the case under advisement.

Attorney A. L. Wessels, wife and son are home from an enjoyed stay of three days along the Mendocino coast.

Clyde Brewer is back from a short trip to the coast.

Pigs Is Pigs When He Raises Them For Sale

Last week Harry W. Kemp came to Ukiah with a load of hogs, fattened at Blue Lakes, and sold them to the Ward Meat Co. The porkers were in prime condition, as was evidenced by the fact that, although they were born in April, seven of them weighed 1610. At the Yokayo Pow-Wow Mr. Kemp's hogs carried off a blue ribbon. One hog nine weeks old, weighing 140 pounds.

R. Weil, who has been in San Francisco the past few days closing a deal for a big stock of bankrupt goods, returned yesterday and will shortly conduct a bargain fest the like of which Ukiah people have not been treated to in some time.

HUNTERS CAUSE BLACK HORN RANCH LOSSES

Fire Which Destroyed Wood Was Started By Cigaret

Another instance of the hardships outside hunters inflict on Mendocino county ranchers, was the fire which burned a considerable amount of timber on an area extending over 100 acres on the Black Horn ranch last week. Twenty cords of wood, ready for market was also burned. The wood was owned by James Manessi and was fully covered by insurance. It is thought some hunter must have thrown a lighted cigarette in the trail which caught and spread to the brush. The fire followed the trail up through a canyon and into a pasture and then spread to a wooded section. The fire was fought by a force of men under the state fire ranger and they had the blaze under control after fighting several hours.

COAT WAS FOUND

Titus Strong is just $10 better off because he has a practice of reading the classified columns of The Republican Press. The other day Mr. Strong picked up a coat on the highway and the next day read in The Republican Press of the loss of the garment and an offer of a reward of $10 for its return to The Republican Press. Mr. Strong brought the coat to The Press office and it was expressed on to the owner. Hardly a week goes by without some piece of property being restored to its owner following the use of the classified columns of The Republican Press. Advertisements in The Republican Press rarely fail to get results.

TOO MANY HUNTERS

John Guntly, who owns a fine farm at Riverside, is one of countless farmers who are suffering from disregard hunters show toward the property of ranchers. Of late Mr. Guntly's ranch has been over-run with deer hunters and much annoyance has been caused. Trespass notices are posted, but, seemingly, until stiff fines are inflicted, hunters are not going to pay any attention to the warnings.

NAPA BUYERS OFFER $100 A TON FOR GRAPES

Extra High Prices Are Prevailing—Crop Is To Be Large

Advices from Napa are that latest reports in grape circles indicate the season will be an even better one than Napa valley vineyardists had anticipated earlier in the year.

The berries on vines of practically all vineyards of the valley are sizing up well and are of a much superior quality than was expected in the majority of vineyards, according to surveys just completed. This marked improvement in the grapes is attributed to the cool, moist weather which has prevailed in the valley during the past several weeks.

Offering High Price.

Buyers are very much in evidence in those parts and cash offers as high as $100 per ton are being made for the high colored varieties, it is reported. White grapes are commanding in the neighborhood of half this price.

FRANKLIN K. LANE REDWOOD GROVE DEDICATED

Picture of the Franklin K. Lane Memorial Redwood Grove dedicated Sunday. The insert is one of the last pictures of Former Secretary Lane, taken a short time before he died. The Memorial Grove is about five hours run north of Ukiah.

Every hotelman, every restaurant owner, every garage proprietor and all storekeepers and oil and service station men of Ukiah will, each year from now on, enjoy heavier business from autoists traveling over the Redwood highway. The stream of travel will increase as the highway is improved and, gradually, as better highways creep northward, will come the army of motorists in ever increasing numbers. Who is there who would want to make the trip north by way of the Sacramento Valley, if they had a chance to drive into the Oregon country over the Redwood highway? Here they have fine water, unexcelled auto camps and delightful weather. Over in the Sacramento section they have bad water, intensely hot days and nights and not such picturesque auto camps.

Know Its Worth.

Northern Californians, coast people, are alive to the fact the autoist trade will amount to vast sums and are constantly getting parks added to the Redwoods, advertising liberally and extending open arms to those who go about the country in motor cars.

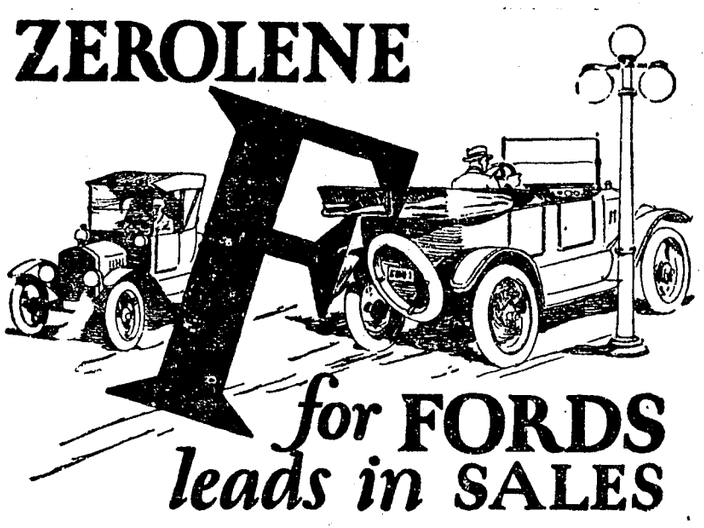
Another Grove Dedicated.

To honor the memory of Franklin K. Lane, former secretary of the interior, who was the first president of the Save the Redwods League and a pioneer in the cause of preserving these trees, a magnificent tract of Redwoods at Kettintelbe, was dedicated as the Franklin K. Lane Memorial Grove on Sunday last. Simple and appropriate outdoor ceremonies under the ancient trees marked the dedication of the grove. Mrs. Franklin K. Lane and members of her family were guests of honor at the exercises. A bronze tablet set in a natural granite boulder was unveiled as a part of the exercises by Mrs. Nancy Lane Kauffman, daughter of Franklin K. Lane. A large attendance was in the grove on the Redwood Highway, which was never in better condition, and the hour was one at which many people found it convenient to attend the exercises.

No Other Like It.

In making the announcement of the establishment of this grove, J. D. Grant, chairman of the league's board of directors, remarked upon the fact this grove, being directly on the Redwood Highway, will be visited by thousands every month in the year. "The Redwood Highway," he declared, "is destined in years to come to be as famous as Niagara, the Grand Canyon, or the Yosemite. In some ways I feel it surpasses these natural wonders, for the Redwoods are growing, living things, whose beauty is developing with the passage of time. Contrast these cool, inviting shades along this part of California's state highway with the hot, treeless stretches that extend through the great central valleys of this state."

ZEROLENE



for **FORDS** *leads in* **SALES**

Zerolene "F" *for Fords,* the Standard Oil Company's new oil for Ford cars, was for the first time drawn from the pumps at garages and at Standard Oil Company Service Stations and offered to the public about the middle of last December.

The response of the motoring public was immediate and overwhelming. *Today Zerolene* "F" *for Fords is the most popular oil on the market for Ford lubrication.*

Lubricates Better—Costs Less

The verdict of users verifies the claims of our Research Engineers—that *Zerolene* "F" *for Fords* meets the special requirements of the Ford lubricating system better than any other oil.

Yet it costs not more but less than any of the special Ford oils on the market.

A Longer Life for Your Ford

We believe that *Zerolene* "F" *for Fords* will increase gasoline mileage, reduce carbon removal operations, and lengthen the working life of every Ford in which it is used.

A Ford is an A-1 transportation investment. Protect your investment by proper lubrication.

LOS ANGELES LADY GAINS 20 POUNDS TAKING TANLAC

Miss Brakeman Tells Of Recovery From Nervousness.

"If anyone should ask me about Tanlac I can tell them that it is perfectly grand medicine, for I have tried it twice, both times with wonderful results," is the candid statement of Miss Blanche Brakeman, 663 West 35th Place, Los Angeles, Calif.

"When I first used Tanlac I had been feeling nervous, run-down for two years or more. My appetite was poor, my sleep restless and I was tired out all the time. I had also lost 15 lbs., in weight. At this time five bottles of Tanlac helped me back to splendid health and increased my weight 20 pounds.

"When last Fall I had an attack of stomach trouble and disordered kidneys which ran my weight down to only 98 pounds. So I resorted to Tanlac again and now I weigh 125 pounds, and am strong and well, just like my friends all say I look."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 Million bottles sold.

A Work Of Real Art Is The Cultus Club Book

The Cultus Club had its year book printed by The Republican Press and this newspaper takes a pardonable pride in calling attention to the handsome work which the job department of The Press provided the club ladies. There is little question but that no more beautiful piece of work was ever turned out by a country job printing office than is the 1924-5 year book of The Cultus Club. The cover embossing was done in The Press office and could not be excelled anywhere.

After Those Who Fail To Make Two Paydays

Arthur L. Johnson, deputy labor commissioner of the state, was in Ukiah last week starting proceedings against two alleged offenders who are said to have violated the twice-a-month payday. The two men said to be facing trouble are owners of small sawmills. The cases will probably be started within the next few days.

Mr. and Mrs. Harry Elliot were in Ukiah Saturday evening on their way to Willits. Mr. and Mrs. Elliot are the owners of The Willits News and, in addition Mr. Elliot conducts an advertising agency at San Francisco and has a branch office in Los Angeles. Mr. Elliot's agencies are probably the largest automobile bureaus in the state.

C. E. Moffitt has been in San Francisco the past week on private matters.

POULOS AND WALLACE GETTING INTO TRIM

Match At Willits Is Destined To Be A Fast Event

All arrangements for the Eddie Wallace-Paul Poulos wrestling match to be held at the Willits high school auditorium Saturday, September 6, have been completed and the opponents are now busily engaged in their training campaign. Douglas Prak, wrestling instructor in the Y. M. C. A. at San Francisco arrived in Willits Saturday to start assisting Wallace in his training for the coming match.

Won Over Many.

A picture of a pose of Eddie Wallace, Willits wrestler, appeared in this month's issue of the Muscle Builder, an official publication of the Physical Culture magazine. Wallace was also notified last Sunday he was awarded first and second prizes for poses in muscle development and perfect form by the Physical Culture magazine. The prize-winning pictures of the Willits grappler were selected from more than 1300 competitors throughout the United States.

Getting In Shape.

Paul Poulos is training right along, although he has not quit his regular employment at his store. It is believed "Jack" Martin, a Lake county athlete, will train with the local grappler.

Although the match will be a hard one, it is generally believed Poulos will not have much difficulty in handling his Willits opponent.

A. Perelli-Minetti and L. E. Cunningham will soon go to Merced on fruit business.

Mrs. M. A. Fulwider was in the city Saturday from her ranch on the Boonville road.

The Load Dispatchers

THE beats in the pulse of Pacific Service are controlled by these men. Two on each eight-hour shift sit before a huge illuminated map—a reproduction in miniature of the company's power houses, substations, and high power feeder lines. Private and public telephone lines and wireless system puts them in immediate touch with interruptions in service. If a line or power house fails, due to storms or other causes, the lights on their map so indicate. Instantly the dispatcher diverts energy from an area with a surplus for the emergency.

By ordering switches opened or closed, they isolate the trouble, so that only the immediate vicinity is affected. These men keep the 30 power houses in step or generating at the same speed. If one gets out of step, going slower or faster than the rest, your lights will flicker.

Their purpose is to insure you a uniform, continuous service. Their success is your success.

EXTRA CARE WILL BE GIVEN FARM STUDIES

Special Instructions To Feature The Year's Course

This coming year advanced students will specialize in the study of horticulture, or fruit and grape growing. For those boys entering high school the usual first year course in agricultural sciences will be given.

Outline Of Subjects.

The following is a list of subjects taken by the students in agriculture:

First Year.

Agricultural sciences	1 unit
Farm mathematics	1 unit
English and citizenship	1 unit
Farm mechanics	1 unit
Crop project	½ to 1 unit
Physical education	¼ unit

Advanced Students.

Horticulture	1 unit
English	1 unit
History	1 unit
Farm mechanics	1 unit
Fruit project	½ to 1 unit
Physical education	¼ unit

To Pick The Best.

The agricultural projects conducted this past year have in the main been successful although there have been one or two unprofitable ones due to adverse moisture conditions. As soon as school opens the students will organize the work of their Junior Farm Bureau Center which will include several things of community value.

BACK FROM TRIP

Ross Bowen, wife and mother are home after making a 2500-mile trip which took them through southern California, to most of the missions and thence on to the Yosemite Park. Mr. Bowen's sister lives in the park, and a visit was paid her, later a stop being made at Richmond where a brother was called upon.

Mrs. Nettie English, son and daughter, have been in Ukiah on a visit to relatives. The English family formerly resided here and were popular members of the community. Miss English is now a teacher in the Roseville schools.

Miss Helen Thomas has been in the city from San Francisco, visiting her father, Attorney J. R. Thomas.

Rev. W. W. Breckenridge and wife are in San Francisco and will be away a week yet.

Attorney W. P. Thomas and bride are home from an extended wedding trip.

FURNISHINGS AT A PRICE VS. A PRICE FOR FURNISHINGS

When you set out to invest in appointments for your home—don't invest in disappointments. Make your dollars count in the quality you get—else it's a waste of time to count your dollars in the price you pay. Buy furniture for the future—not prices for the present! August Sale prices mean little unless they buy much. At this store the same fine furniture that graces the best homes in the city is offered at prices so low that every home can afford the best.

Dine Amid the Beauty of This Furniture

A tasteful dining room can make a simple meal seem a banquet—and the dining room furniture we offer you possesses beauty to an unusual degree. If you like to be unconventional in your furnishings, there are sets in cottage type, simple in line, with painted designs. More formal are sets of Italian inspiration, with long tables and high backed chairs. Many, many styles to choose from, all governed by distinction of design and sensible prices.

Of Course She Sold The Cow Advertised

Mrs. T. S. Towle last week wished to dispose of a cow. The animal was a fine milk-giver, but Mrs. Towle did not have the time to take care of her. An advertisement was placed in The Republican Press and forthwith the cow was sold. Many buyers came to purchase the animal, but Mrs. Towle held off until she was certain a good home could be provided for the cow. Advertising in The Republican Press never fails to get results quickly.

Personal Mention

Mr. and Mrs. Frank Ward have been visitors at the home of Mr. and Mrs. Frank Gowan, of this city. Mr. and Mrs. Ward live in Anderson Valley.

Jud Gowan was a last-of-the-week visitor from Potter Valley.

Mr. and Mrs. R. L. Cleveland are home after having been to Canada, where the Cleveland boys own and successfully operate a fine ranch.

Attorney M. H. Iversen is back from a short business trip to San Francisco.

T. S. VanVleet, who owns some nice pear land in the Ukiah Valley and who, as soon as he can get his affairs arranged, plans on coming to Mendocino county to reside, was in Ukiah from his Irvington home the last of the week, returning south Saturday.

Harry W. Kemp, proprietor of The Blue Lakes resort, was here Friday and stated that, despite the fact travel fell off at the first of the season because of the scare following the outbreak of the foot and mouth disease in the south, the end of the year will find the receipts at Blue Lakes have been larger than for several years back.

W. M. Millsap and family are in Ukiah, having come here from Spirit Lake, Idaho. Mr. Millsap has been troubled with asthma and was told Ukiah would be the place to locate. Mr. Millsap has been in the mercantile business for 25 years and, if he decides to remain here, may enter that line. In Idaho conditions are bad. The weather has been very dry and business has become stagnant. Mr. Millsap was agreeably surprised at finding such prosperity and generally good conditions as he encountered in the Ukiah valley.

Mr. and Mrs. C. D. Tribuno and A. Frachia are back from a trip to Los Angeles, which they all greatly enjoyed.

H. L. Sweet, representing the Coolidge-for-President forces, was in Ukiah and other towns in the county last week, lining up the organization of republicans hereabouts.

Dr. K. M. Lundborg, a former resident of Ukiah and now living in Turlock, was here Friday on his way to Lake county. Dr. Lundborg had considerable property at Upper Lake and in the late fire sustained a big loss, carrying only a small amount of insurance. Dr. Lundborg will probably arrange to dispose of his real estate at Upper Lake.

C. B. Melville returned to Fort Bragg the last of the week and was at his home election day. Mr. Melville received a flattering endorsement at the hands of the people here.

Mrs. Anna C. Guion, who up to recently successfully conducted a fine millinery business, which she lately disposed of, was in Sacramento during the last few days on a visit to her husband, who is in the engineering department of the State Highway commission. Mrs. Guion will shortly go to the state capital to join Mr. Guion and make her home there.

Robt. Weldon, brother of the late T. J. Weldon, was in the city Thursday from San Francisco on business matters. In the days of '98 Mr. Weldon was an attorney at Skagway, Alaska, and during the rush to the Klondike practiced law north of 53. At this time Mr. Weldon is connected with one of the big surety companies and doing nicely in the city.

District Attorney J. C. Hurley and wife are home from the coast. Mrs. Hurley has been visiting relatives at Albion some weeks, while Judge Hurley has been on the coast only the last few days, going over on official business.

"Jack" Goss is back from an automobile trip which took him to Lake Tahoe and other points of interest about the northern section of the state.

S. Cohen is in San Francisco purchasing stock. A big sale will soon be conducted by Mr. Cohen.

Henry Meyer, who has large property interests here and who once was a resident of Ukiah and still has many friends here, was in the city from Santa Cruz last week.

C. A. Aldrich, who has been quite ill of late, is recovering slowly, but is still considerably indisposed.
